This compilation takes its name from their world famous Flamingo Nights spectacular that tours the biggest cities in the world from the European hotbeds of Amsterdam, Dortmund and Frankfurt to the sun-drenched shores of Miami, USA and down under in Australia. Now to celebrate the show’s arrival at Pacha Ibiza this summer, Fedde and Funkerman serve up a feast of genre bending music to suit the mainstream and those who like things a little cooler.

Every Tuesday for a staggering 15 weeks, Fedde le Grand, Funkerman and a host of other star spinners will grace Ibiza’s infamous nightspot and breathe ‘New Life’ into the island. With cuts from Hardwell, Sebastian Ingrosso, Martin Solveig, Cassius and of course a plethora of music from Fedde and Funkerman, this compilation lays the foundations for what will be a stunning summer!
