Privilege - Mixed by Cosmic Gate and Hardwell.

The biggest club in the world, Privilege Ibiza, and Black Hole Recordings present a fabulous double mix compilation delivered by Cosmic Gate and Hardwell.

Situated on Ibiza between Ibiza Town and San Antonio, you will find Privilege. Aptly named the world's biggest club, Privilege has become the most outstanding and influential club on the island that delivers a unique and breath taking experience; a must visit for all Ibiza visitors and party people.

With world famous resident DJs such as Tiësto, Robby Rivera and Mauro Picotto, Privilege will host thousands of guests during the summer of 2009; visitors who will all be a part of that once in a lifetime moment only to be found on Ibiza.

To fully capture the extraordinary concept of the famous Ibiza venue, Black Hole Recordings and Privilege decided to join forces for the release of a double mix compilation that would perfectly represent the music and atmosphere of the club.

The Privilege 2CD was mixed by Cosmic Gate and Hardwell. The release comes with a free voucher that will give a 20% discount at the door of the club.

Disc 1 features a trance mix by Cosmic Gate. Cosmic Gate, a German collaboration between Nic Chagall and Bossi, has been part of the professional dance industry for more than 10 years now. With anthems like "I Feel Wonderful", "Analog Feel", or classics as "Exploration of Space" and "Fire Wire" they firmly established their reputation. Cosmic Gate takes on more than a hundred performances all over the world every year and in the midst of their crazy schedule they still managed to release their brand new album "Sign of the Times" on Black Hole Recordings. The album so far harvested hits as "Body of Conflict" and "Not Enough Time" featuring the lovely vocals of Emma Hewitt. Their work receives continuous and massive support from all major DJs.

Disc 2 contains a house mix by Hardwell. Hardwell, 21 years of age and already a household name in the industry, built his rep through his passion for music. His deeply rooted love for all things house drove him to the top as a multi-talented DJ/producer. Hardwell's bootleg of "Show Me Love vs. Be" by Steve Angello and Laidback Luke was one of the biggest dance hits of last year and "MRKRSTFT" has been included in countless house compilations. He has topped the leading Dutch chart 'Dance-Tunes.com' 6 times and made remixes for Chris Lake, Funkerman, Laidback Luke, Sharam (Deep Dish), Steve Angello, Booty Luv and Hi_Tack. Hardwell promises to be a new, exciting and refreshing artists that continues to evolve.
