INTRODUCTION TO THE ALBUM

Classics as you have never heard them before. Classics you will love. 17 classical all time favourites with today's classical pop sound. ADYA is Dutch maestro/composer, Adriaan Van Landschoot, who has conducted in Holland and Belgium and represented Belgium twice in the Eurovision Songcontest with Dream Express and Stella. Six years ago, Adriaan put together his own symphonic orchestra and played famous pop classics, which took him to the number one position on the charts. He took up the challenge to restyle real classical masterpieces such as Mozart, Beethoven, Tchaikovsky, Vivaldi, Verdi, to mention a few. ADYA was the highest new entry in the international album charts and went straight to number 1 to stay there for 5 weeks. The result of this was gold and platinum status.
