INTRODUCTION TO THE ALBUM:

Steve Tyrell, whose appearances in the two “Father Of The Bride” movies, and whose albums “A New Standard” and “Standard Time” established him as a premier contemporary interpreter of the Great American Songbook, now turns his attention to one of the legendary composers in all of pop music: Burt Bacharach. Steve Tyrell’s “Back To Bacharach” makes the case for adding Burt Bacharach to the roster of all-time great creators of the previous generation of American Songbook immortals---Porter, Gershwin, Berlin, Kern, and Ellington. And it does so with supreme style, taste, and expertise.
