INTRODUCTION TO THE ALBUM

Written and produced by the band, *All The Right Reasons* sets a modified tone for Nickelback's future by showing off a great range of musical styles whilst incorporating new musical elements on the sure fire hits "Photograph" and "Savin' Me". Die hard fans are not forgotten - Nickelback's trademark raucous rock riffs are still evident throughout the album with tracks "Side Of A Bullet" and "Follow You Home" featuring tributes to slain Pantera guitarist "Dimebag" Darrell Abbott and the work of ZZ-Top maestro, Billy Gibbons, respectively.

The continued growth of Nickelback is a success story built on the road, on the radio and by - above all things - great rock songs. The band's platinum selling, 2003 release, *The Long Road* followed Nickelback's international breakthrough CD *Silver Side Up*, which was an instant smash in 2001 due to the phenomenal # 1 hit single "How You Remind Me". The album racked up four Grammy Award nominations as well as four Billboard Awards achieving multi-platinum status globally anddrum roll.....going platinum in South Africa!!!

Four strong radio-friendly singles, once again, ensure that Nickelback maintain their track record with "All The Right Reasons" destined to be this summer's biggest selling pop/rock CD.
