RELEASE DATE: APRIL 2008

**Catalogue number: DGR1721**

**Barcode: 6001 212 285 234**

## **Introduction to album:**

Rock Stars is a compilation album, inspired by Nickelback's chart topping hit single "Rock star" that became a worldwide phenomenon in 2008. David Gresham Records has secured the rights to some of the biggest names in rock music, both locally and abroad. Other current hit singles include, Yellowcards- Light up the sky, Three Days Grace- Never too late, Prime Circle- Moments, & The Parlotones- Giant mistake. With a massive advertising campaign on 5FM & an even bigger TV Campaign, Rock Stars is set to be the big rock album of the year.
